APPENDIX A. REFERENCES	19
APPENDIX B. FORT DRUM TABLE OF ADMINISTRATIVE ACTIONS	20
APPENDIX C. FORT DRUM PERMIT FEE SCHEDULE	22
APPENDIX D. FORT DRUM SUNRISE/SUNSET TABLE	23
APPENDIX E. FORT DRUM CANTONMENT ARCHERY HUNTING AREAS MAP .	24
APPENDIX F. FORT DRUM MILITARY INSTALLATION MAP	Separate Enclosure
APPENDIX G. RECREATIONAL USE MAP	26

1. PURPOSE. This regulation sets forth laws, restrictions and procedures for hunting, fishing, trapping and related recreational activities on Fort Drum Military Reservation.

2. APPLICABILITY. This regulation applies to all persons, military and civilian, who hunt, fish, trap or engage in other fish and wildlife-related or other outdoor recreational activities on Fort Drum.

3. OBJECTIVES.

- a. Facilitate the military mission.
- b. Utilize Fort Drum's natural resources in a responsible manner including harvesting game wisely.
- c. Conduct all recreational activities safely.
- d. Protect government and personal property.

4. PERMITS AND ACCESS PASSES.

a. Recreational Permit and Access Pass. In order to provide safe and compatible usage of Fort Drum lands, ALL persons utilizing Fort Drum for recreational use must possess a valid Fort Drum Recreational Permit and Access Pass. Permits must be obtained for the fiscal year beginning October 1. All permits expire the following 30 September. There are two basic types of Fort Drum Recreational Permits.

(1) Hunting, Fishing and Trapping Permits for those engaged or assisting with hunting, fishing and trapping activities. A permit is not required to recreate in Mud Lake if access is gained via Lake Bonaparte. If the recreationist does not remain in his boat and sets foot on Fort Drum, he must have a Fort Drum Permit and Access Pass.

(2) Recreational Use Permits for those not fitting in the above category but engaged in berry and mushroom picking, picnicking, hiking, camping, cross country skiing, horseback riding, snowmobiling and all other outdoor activities in the training areas.

(3) In addition to obtaining a Fort Drum Recreational Permit and Access Pass those recreationists engaged in nighttime fishing and/or overnight camping activities must also physically check in at the Combat Readiness Training Division (Range Control) and obtain a

Nighttime Fishing/Overnight Camping Access Pass. The Combat Readiness Training Division operates 24 hours a day, 7 days a week.

b. Fees. All persons hunting, fishing or trapping on Fort Drum must obtain the appropriate permit(s) in accordance with the Fort Drum Permit Fee Schedule at Appendix C. The Fee Schedule is effective October 1 through September 30 of the following year. Fees will not be prorated. The Fort Drum Permit Fee Schedule will be evaluated annually, and changes to the Fee Schedule will be posted by 15 August for the next fiscal year. The fees collected from the sale of hunting, fishing and trapping permits are used on the installation for the protection, conservation and management of fish and wildlife, including habitat improvement and related activities. A list of proposed fish and wildlife projects is available upon request from Fort Drum's Fish and Wildlife Biologist, Bldg. T-4848 or (315) 772-9636. There is no fee for Recreational Use permits. A Fort Drum Recreational Permit and Access Pass shall be issued without charge to individuals that meet the requirements specified and with the proper identification:

- (1) Persons 70 years of age and older.
- (2) Persons 15 years of age and younger.
- (3) Handicapped and disabled (40% VA).
- (4) Native Americans serving on active duty and stationed at Fort Drum with a Native American identification card issued to them by their respective Indian Nation.

c. Fort Drum Recreational Permits and Access Passes are available **to all persons** from the Environmental Division at Bldg. S-2507. **Recreational Permits and Access Passes are no longer available at the Outdoor Recreation Center.** The operating hours of the new Permit Office for September – November: Wednesday - Friday, 11:00pm – 6:00pm and Saturday 8:00am – 12:00pm; for December – February: Saturday 8:00am – 12:00pm; and for March – August: Thursday - Friday, 11:00pm – 6:00pm and Saturday 8:00am – 12:00pm. Hours may be adjusted as needed.

d. Fort Drum Recreational Permits and Access Passes will be issued only to persons who have completed a release and hold harmless agreement.

e. All persons must have their valid Fort Drum Recreational Permit in their possession while engaged in any recreational activity on the installation, and produce it upon demand to any Law Enforcement Officer, or individual who provides identification as an official of Fort Drum.

f. Recreational Access Passes for each individual in the vehicle must be displayed on the dashboard at all times in clear sight, with the permit number facing up, upon entry into the training areas.

g. Use of the Fort Drum Recreational Permit and Access Pass constitutes a consent to search the individual and their vehicle for the confiscation of all evidence of unauthorized activities by law enforcement personnel.

h. Possession of a Fort Drum Recreational Permit and Access Pass does not give approval to enter training areas without following appropriate check in procedures, in accordance with paragraph 5.

5. CHECK IN/CHECK OUT PROCEDURES.

a. Recreational users must check in daily telephonically with the Combat Readiness Training Division (Range Control), Bldg. P-4855, by leaving their permit numbers prior to entering the Fort Drum training areas. Upon leaving their permit numbers, recreational users may access any training area that is open for recreation that day. The number of training areas recreational users can check into each day is not limited. Failure to comply with check in procedures is grounds for terminating the individual's permit and access to Fort Drum for recreation.

(1) Recreational users may physically check in at the Combat Readiness Training Division (Range Control), Bldg. P-4855. Check in must be done prior to entering the recreational area and cannot be earlier than 6:00pm the evening prior to the desired day of use. The Combat Readiness Training Division (Range Control) operates 24 hours a day, 7 days a week.

(2) Persons not wanting to check in at the Combat Readiness Training Division (Range Control) in-person may use the Sportsmen's Hotline, 772-7153. The Hotline will list training areas open for recreation for the specified day(s). The Sportsmen's Hotline is updated at approximately 6:00pm for the following day.

b. Recreationists engaged in camping or nighttime fishing activities in the Fort Drum training areas are required to check in and check out in-person at the Combat Readiness Training Division (Range Control), Bldg. P-4855, and obtain a Fort Drum Nighttime Fishing/Overnight Camping Pass. Recreationists camping at designated RV sites at Officers' Loop are not required to check in/check out with the Combat Readiness Training Division (Range Control) or obtain a Fort Drum Nighttime Fishing/Overnight Camping Pass.

c. Recreational Permits and Access Passes must be obtained prior to check in at the Combat Readiness Training Division (Range Control). Recreational Permits and Access Passes are not available from the Combat Readiness Training Division (Range Control), but can be obtained at the new Permits Office in Bldg. S-2507 (see 4(c)).

6. GENERAL INFORMATION AND RESTRICTIONS.

a. Hunting, fishing, trapping and recreational use of Fort Drum will be in accordance with Environmental Conservation Laws of New York, this regulation and applicable federal laws and supplemental orders issued by the Commander, 10th Mountain Division (LI), Fort Drum. Any supplemental order will be posted at buildings P-4855 and P-11115, and will be brought to the attention of persons applying for a recreational permit.

b. All observed violations of Federal, State or Fort Drum Regulations or Laws must be reported to the Military Police, 772-5156/5157.

c. Persons are required to notify the Combat Readiness Training Division (Range Control), Bldg. P-4855 or 772-7152, and the Military Police, Bldg. P-10715 or 772-5156/5157, about uncontrolled fires and the location of unexploded munitions. Munitions shall not be handled or removed from their locations.

d. Accidents and lost persons shall be reported to the Combat Readiness Training Division (Range Control), 772-7152, and the Military Police, 772-5156/5157.

e. Cooperation with military officials, Fort Drum personnel and other recreationists is mandatory.

f. It is unlawful to consume alcohol, mind-altering drugs, or be under the influence of the same, while operating a motor vehicle or boat, or while possessing a firearm.

g. No person shall discard, bury or dispose of any trash, waste or litter on Fort Drum. Trash receptacles are not provided (except at Remington Park) so recreationists must carry out what is carried in. Entrails are biodegradable and do not constitute litter.

h. Building or maintaining a fire is prohibited, except a fire for cooking by camp stove, or with other suitable container and confined to a designated site. No fire shall be lit until all combustible materials surrounding it have been removed to the extent necessary. No fire shall be left unattended.

i. No person shall injure, deface or disturb any part of a building, range structure, sign, equipment or property found on Fort Drum.

j. The collection of any relics or artifacts such as old bottles, coins, etc. is prohibited. The use of metal detectors on Fort Drum is strictly prohibited. Penalties for violations are found in paragraph 10.

k. Unauthorized excavation or digging of any kind is prohibited.

l. Feeding of any wildlife is prohibited.

m. Harassing or molesting any wildlife or taking of any nongame species is prohibited.

n. Picking up, disturbing or taking Government equipment, ordnance, munitions or parts of the same is prohibited.

o. Disturbing or molesting the traps and/or trapped animals of trappers is prohibited.

p. Persons hunting, fishing or trapping on Fort Drum are required to complete and return surveys they receive with their Fort Drum Recreational Permit.

7. RESTRICTED AREAS AND TIMES.

a. Fort Drum Military Reservation, and any part thereof, may be closed at the discretion of the Installation Commander when deemed necessary. Recreational use of the installation is secondary to requirements of the military mission.

b. Areas permanently closed to recreational use are posted with New York State yellow and green (Restricted Area) signs.

c. Recreationists are forbidden from entering areas marked with Off-Limits signs.

d. Snowmobiles and other recreational vehicles are prohibited in environmentally sensitive areas. Environmentally sensitive areas may be used for other forms of recreation, but all structures, foundations, artifacts, etc., or parts thereof, must not be disturbed or collected. Seibert Stakes (a.k.a. Siber Stakes) identify environmentally sensitive locations. Seibert Stakes consist of a 16 inch piece of PVC pipe with alternating rings of white, red, and yellow reflective

tape mounted on a metal post approximately 4 feet above the ground. A black strip runs down the backside of each Seibert Stake. If this is visible, then you are within an environmentally sensitive area.

- d. The Main Impact Area is off limits to all recreationists.
 - e. Ranges and Observations Points (OPs) are off limits to all recreationists.
 - f. The Black River that borders Fort Drum is off limits for all recreational activity except fishing from the banks.
 - g. That part of the Indian River adjacent to the Main Impact Area is off limits to all recreational activities. Fishing and boating is permitted in that part of the Indian River that is not adjacent to the Main Impact Area.
 - h. Access to TA 5E, 14G and 20 is permanently restricted to all persons.
 - i. Access to Angler Site 17 (TA 14E) will be from Figert Road only; no other vehicular traffic is permitted in TA 14E beyond the "Angler Parking" signs.
 - j. Training areas 4A, 4B, 4D, 5A, 5D, 6B and 6C, reference Appendix F, Fort Drum Military Installation Map, are open for **archery hunting only**. Possession of firearms is prohibited. Fishing, trapping and other recreational activities are permitted. A small portion of training area 4A directly north of Route 26 will be permanently closed to all recreational activities. This closed area will be posted with the appropriate signs. Recreationists using training areas 4A, 4B, 4D, 5A, 5D, 6B and 6C must follow normal check in/check out procedures stated in section 5 of this document. These training areas are not part of Fort Drum's Cantonment Archery Hunt and thus are open for recreation when military training is not being conducted.
 - k. Access to the cantonment area is generally restricted to those persons possessing one of the following:
 - (1) Military I.D.
 - (2) Military Dependent I.D.
 - (3) Civilian Department of Defense I.D.
 - (4) Retired Military I.D.
- The general public and others may be escorted onto the cantonment area by one of the persons above, but not for hunting purposes.
- l. Entry into Fort Drum training areas may begin one hour before sunrise. Exit of all training areas must be no later than one hour after sunset. Persons requesting to remain or enter Fort Drum training areas during hours of darkness, or to enter either permanent or temporarily off limits areas for wounded game, lost hunters, etc., must be accompanied by personnel from the Combat Readiness Training Division (Range Control) (772-7152), and/or the Military Police, (772-5156/5157). Recreationists participating in nighttime fishing or overnight camping activities are the only recreational users authorized to be in the Fort Drum training areas from one hour after sunset to one hour before sunrise, in accordance with paragraph 5b.
 - m. Scouting of training areas prior to the hunting season is permitted but hunters must follow check in/check out procedures stated in paragraph 5 of this document.

8. ROADS AND MOTOR VEHICLE REGULATIONS

a. It is unlawful to consume alcohol or other drugs, or be under the influence of the same, while operating a motor vehicle or boat or while possessing a firearm.

b. Vehicles shall be operated on roadways (improved light duty roads, unimproved dirt roads, or trails) within the boundaries of block/subsidiary training areas unless identified as a recreational road in Appendix G. Improved light duty roads, unimproved dirt roads, hard surfaces, block training areas, and subsidiary training areas are designated on the Fort Drum Installation Map (Appendix F). Recreational roads are designated on the Recreational Use Map (Appendix G).

c. Vehicle Parking. Vehicle parking is restricted to the border of block/subsidiary training areas on improved light duty roads, unimproved dirt roads, hard surfaces, and recreational roads. Within block/subsidiary training areas, vehicle parking is restricted to recreational roads. All vehicles shall be parked in such a manner as to allow other vehicles safe passage. (Improved light duty roads, unimproved dirt roads, hard surfaces, and block/subsidiary training areas are designated on the Recreational Use Map found at Appendix G).

d. Speed limit on Fort Drum roads/tank trails is 25mph during daylight hours and 10mph during hours of darkness.

e. Use of snowmobiles, trail bikes, all-terrain vehicles (ATV's) or motorized vehicles for recreational purposes is not authorized, except as stated in AR 210-9, 10th Mountain Division (LI) and Fort Drum Supplement to AR 210-9 and paragraph 15(c) of this document. The 10th Mountain Division (LI) and Fort Drum Supplement to AR 210-9 does authorize recreational use of snowmobiles in training areas 7E, 7F and 7G, but only on designated trails.

f. Snowmobiles and other recreational vehicles are prohibited in environmentally sensitive areas. See paragraph 7(c) of this document for more information.

9. WEAPONS AND SAFETY REGULATIONS

a. Refer to Ft Drum Reg 190-6 regarding possession of weapons on Fort Drum Military Reservation.

b. It is unlawful to consume alcohol or other drugs, or be under the influence of the same, while possessing a firearm.

c. No person shall discharge a firearm or long bow within 500 feet of a dwelling, house, school building, school playground, occupied factory, church, farm building, or farm structures actually occupied or used.

d. No person shall discharge a firearm or longbow so that the load or arrow shall pass over any part of a public highway. A public highway is defined as any road maintained by a state, county or town. In addition, a public highway on Fort Drum includes any road classified as hard surface, improved or unimproved according to the legend in Appendix F, Fort Drum Military Installation Map.

e. Loaded weapons may not be transported in vehicles. A loaded firearm is one that contains ammunition in the chamber and/or an attached magazine. A muzzleloader is considered unloaded if the percussion cap is removed.

f. Carrying a concealed weapon on Fort Drum is prohibited, except by law enforcement personnel in the performance of their duties or as required by official military duty. Bearing an exposed sidearm is permitted only when the person is in possession of a New York State pistol permit, and in compliance with the requirements of 10th Mountain Division (LI) and Fort Drum Regulation 190-6, or while trapping as stated in paragraph 15(d). of this document.

g. Target shooting in Fort Drum training areas is prohibited, except on designated ranges with prior approval from the Combat Readiness Training Division (Range Control).

h. Possession of firearms in archery hunting only areas is prohibited.

i. No person shall possess a firearm, bow or other hunting implement while engaged in wood cutting practices.

j. Blaze Orange. All recreationists in Fort Drum training areas during any hunting season (01 September - 30 March 2003 and 01 May – 31 May 2003), to include small game and Muzzleloading and Regular Big Game Hunting Seasons, are required to visibly display a minimum of 144 square inches of blaze orange on the front and back of their upper bodies, and also wear blaze orange headgear. Exceptions to this blaze orange requirement are duck and turkey hunters during respective seasons and archery hunters during the Special Archery Season or while hunting in Archery Hunting Only Areas.

k. Boats used on Fort Drum waters must be equipped with personal floatation devices and other safety equipment as required by State and Federal laws.

10. PENALTIES

a. All evidence of unauthorized hunting, fishing, trapping or other forms of recreational activities to include suspected unlawfully killed or caught game or fish, unauthorized weapons, snares, traps, illegal fishing contraptions or devices, explosives, nets, or seines will be confiscated and may be released to the New York State Department of Environmental Conservation with Report of Offense. A receipt of the confiscated items will be furnished to persons from whom the items are seized. Violations of this regulation or the Environmental Conservation Law of New York may result in prosecution under 10 U.S.C., 2671, N.Y. ECL Section 71-0919 or Section 71-0921, in the United States District Court for the Northern District of New York. Violators who are cited by New York State Officials will be prosecuted in the appropriate local criminal courts. The Fort Drum Table of Administrative Actions can be found at Appendix B.

b. Immediate suspension: Any person cited with a violation of any provision of the Environmental Conservation Laws of the State of New York, applicable Federal Laws, Army and Fort Drum Regulations, by New York State Conservation Officers, Federal Game Wardens or Military Police shall immediately surrender his/her permit to the citing official who will in turn

surrender the permit to the Directorate of Emergency Services (Bldg. P-10715).

c. All evidence of illegal activity is subject to confiscation by law enforcement personnel to include, but not limited to, game taken and weapons used.

d. Trespassing in restricted areas is a violation of Title 6, Department of Environmental Conservation, Chapter 1, Part 55, Codes, Rules and Regulations of the State of New York, and violators may be punished by a fine of not more than \$250.00 and imprisonment for no more than 15 days.

e. The collection of any relics or artifacts such as old bottles, coins, etc. is prohibited. Violators may be subject to a \$10,000.00 fine or imprisoned not more than one year, or both, provided however, if the commercial or archeological value of the archeological resources involved and the cost of restoration and repair of such resources exceeds the sum of \$500.00, such violators shall be fined not more than \$20,000.00 or imprisoned not more than two years, or both. In the case of a second or subsequent violation upon conviction, such person shall be fined not more than \$100,000.00, or imprisoned not more than five years, or both.

11. BIG GAME HUNTING IN TRAINING AREA.

a. Sportsmanlike conduct and adherence to State and Federal laws is required of all hunters on Fort Drum. Hunters should familiarize themselves with New York State Hunting Regulations issued with their state hunting license and the regulations contained in this document.

b. Big game hunting seasons on Fort Drum coincide with Northern Zone seasons in New York State. Fort Drum is Wildlife Management Unit 6H.

c. Big Game hunting hours are sunrise to sunset. A table of sunrise and sunset times for Fort Drum may be found at Appendix D.

d. During the Muzzleloading and Regular Big Game Season all recreationists including deer/bear hunters are required to wear a minimum of 144 square inches of blaze orange on the front and back of their upper bodies, and also wear blaze orange headgear. Duck and turkey hunters and archers hunting in archery hunting only areas are the only exceptions to this blaze orange requirement.

e. Big game carcass and report tags must be detached and completed with indelible ink after taking a deer or bear. Immediately upon taking a deer, the month and day must be cut out of the margin of the deer carcass tag. The animal need not be tagged while it is being dragged from the place of kill to where transportation is available. Tags shall remain attached to the carcass until it is prepared for consumption.

f. Hunters must make every effort to trail and recover wounded deer/bear. Hunters may not, however, violate the hour after sunset restriction because of wounded game. Hunters should mark the spot they last saw sign and request assistance from the Combat Readiness Training Division (Range Control) (772-7152) and/or the Military Police (772-5156/5157). The tracking of wounded game into closed hunting areas requires the hunter to contact the Combat Readiness Training Division (Range Control) and the Military Police. If wounded game goes off of Fort Drum, it is your responsibility to obtain permission from the private landowner.

g. Tree stands may be used on Fort Drum provided they do not damage trees. Hunters are not allowed to construct or hunt from permanent tree stands. Temporary treestands may be left overnight, but Fort Drum is not responsible for any lost, stolen or damaged stands. Placing a treestand in an area does not guarantee that site for the hunter. Hunting from range towers/structures is prohibited.

h. Training areas 4A, 4B, 4D, 5A, 5D, 6B and 6C, reference Appendix F, Fort Drum Military Installation Map, are open for **archery hunting only**.

i. All archers hunting on Fort Drum are required to attend an Archery Qualification Session. To qualify, all archers must shoot three out of five arrows equipped with broadheads in the vital area of life-size three dimensional deer targets. Targets will be placed at unknown distances between 0-25 yards with 10, 20, and 30 yard markers present. Only one qualifying shot will be allowed at each target. Archers hunting in the training area may qualify from the ground or in an elevated structure. Archers failing to qualify on the first attempt may try again, but only at a later qualifying session. No practicing will be allowed at the qualification site. The Archery Qualification Card expires September 1 of each calendar year, thus requiring archers to qualify every year. For more information about archery qualifying, see the Fort Drum Archery Qualification Fact Sheet available at the Outdoor Recreation Center (Bldg. P-11115) or the Fish and Wildlife Office (Bldg. 4848).

j. Big Game Hunters **may** have their harvested deer or bear weighed and aged at the Fort Drum Big Game Check Station during the week—check-in is **not** required. The check station is located at the Environmental Division (Bldg. T-4848) near the Combat Readiness Training Division (Range Control), and is open from 7:00am - 5:00pm Monday through Friday. The check station will not be open on weekends or federal holidays. Big game harvested when the check station is closed may be reported by calling (315) 772-4999, or may be brought in to have it weighed/aged, on the next business day during normal working hours.

12. ARCHERY HUNTING IN CANTONMENT AREA.

a. Cantonment archery hunting is limited to the area south of Route 26 within the Fort Drum boundary. This is an archery hunt only and no other hunting implements may be possessed while in the hunting areas. Specific hunt dates and additional information may be obtained from the Fort Drum Cantonment Archery Hunt Fact Sheet available from the Fish and Wildlife Office (Bldg. 4848) or Outdoor Recreation Center (Bldg. P-11115). The following are special provisions and regulations that pertain to Fort Drum's Cantonment Archery Hunt. If not specifically stated below, all regulations for Fort Drum and NYS Department of Environmental Conservation apply.

b. Big game species (deer and bear) and turkey may be hunted in the Cantonment area during their respective open seasons and in accordance with all other regulations set forth in this section.

c. Cantonment Area scouting will be in accordance with paragraph 12(f). Areas 30-33 can be scouted on weekends, training holidays, and federal holidays only; areas 34-38 can be scouted daily. Check in/check out procedures are not required for scouting in the Cantonment Area.

d. All archers are required to demonstrate their shooting ability prior to archery hunting in the Cantonment Area. Archers fulfilling qualification requirements will be issued a Fort Drum Archery Qualification Card which must be in the archer's possession while hunting. To qualify, all archers must shoot three out of five arrows equipped with broadheads in the vital area of life-size three dimensional deer targets. Targets will be placed at unknown distances between 0-25 yards with 10, 20, and 30 yard markers present. Only one qualifying shot will be allowed at each target. All archers hunting in the cantonment area must qualify from an elevated structure approximately 11 feet high. Archers failing to qualify on the first attempt may try again, but only at a later qualifying session. No practicing will be allowed at the qualification site. The Archery Qualification Card expires September 1 of each calendar year, thus requiring archers to qualify every year. For more information about archery qualifying, see the Fort Drum Archery Qualification Fact Sheet available at the Outdoor Recreation Center (Bldg. P-11115) or the Fish and Wildlife Office (Bldg. 4848).

e. Cantonment area archers are required to physically check in at the Combat Readiness Training Division (Range Control), Bldg. P-4855, prior to entering the hunting areas. At the time of check in, archers will be required to show their Fort Drum Archery Qualification Card and sign into the hunting areas. Archers may sign in for more than one area. **All cantonment area archers must check out at the Combat Readiness Training Division (Range Control) after leaving their hunting area.** Failure to follow these procedures may result in suspension and/or revocation of hunting privileges.

f. Archers may hunt in nine areas (Hunting Areas 30-38) in the Cantonment Area. See Appendix E, Cantonment Archery Hunting Areas map, for hunting area locations. Hunting areas 30-33 may be hunted only on weekends, federal holidays, and training holidays; areas 34-38 are open for archery hunting any day of the week. Remington Park is not open for archery hunting.

g. All vehicles must be parked in designated parking areas on the shoulder of roads or trails to allow other vehicles to pass. Designated parking areas have signs posted. Recreational Access Passes must be displayed on the dashboard of all vehicles in clear sight with permit numbers facing up.

h. All hunters are required to hunt from elevated treestands. No still-hunting, stalking or deer drives are allowed and arrows may not be nocked until archers are safely in their treestands. Safety belt use is required while in treestands. Treestands must be a minimum of ten feet off the ground and must be portable. Treestands may be left overnight, but Fort Drum is not responsible for any lost, stolen or damaged stands. Placing a treestand in an area does not guarantee that site for the hunter.

i. No person shall discharge a long bow within 500 feet from a dwelling, house, school building, school playground, occupied factory, church, farm building, or farm structures actually occupied or used.

j. No person shall discharge a long bow within 75 yards from the exterior tree line of the hunting area. Hunters must minimize their visibility whenever possible, especially when entering and exiting hunting areas.

k. Hunters are not allowed to shoot at game outside their assigned hunting areas or walk outside their area (with or without a bow) in an attempt to scare game into their hunting area.

l. No person shall discharge a long bow in such a way as will result in the arrow thereof passing over a public highway or any part thereof.

m. Hunters with wounded game that leave their assigned hunting area should notify Fort Drum Law Enforcement Officials before tracking the animal. For assistance hunters may call the Provost Marshal's Office (PMO) at 772-5156 or stop by the PMO in Bldg. P-10715.

n. Protected archeological sites within the Cantonment Area are marked with "OFF LIMITS" signs. Hunters shall use these areas in accordance with the stipulations in paragraphs 6k. and 10e.

o. Defacing, destroying or removing military property and climbing or hunting from range structures is strictly prohibited. Failure to comply may result in suspension of hunting privileges and will jeopardize future hunting in that area.

p. Archers hunting in the Cantonment Area may wear camouflage clothing throughout the entire archery season since the Cantonment Area is open for archery hunting only.

q. **Archers harvesting deer within the Cantonment Area are required to bring their harvest to the Environmental Division (Bldg T-4848), located near the Combat Readiness Training Division (Range Control), for weighing and aging.** Hours of operation are from 7:00am – 5:00pm Monday through Friday. The check station will not be open on weekends or federal holidays. Deer harvested when the check station is closed must be brought in on the next business day during normal working hours. If the meat is in danger of spoiling before it can be reported, the meat may be processed but the head must be brought in for aging.

13. SMALL GAME HUNTING.

a. Small game hunting is not permitted in the cantonment area, except for archery hunting for turkey.

b. Waterfowl regulations on Fort Drum coincide with State and Federal Regulations.

c. Although pheasant hunting is a recreational activity managed by DCA, all pheasant hunters must comply with existing NYS DEC laws and all provisions contained in this regulation. A small game permit is required for hunting pheasant.

d. Small game hunters, with the exception of turkey and duck hunters, are required to wear a minimum of 144 square inches of blaze orange on the front and back of their upper body, and also wear blaze orange headgear, during their respective seasons.

e. Shotguns used for hunting migratory birds (ducks, geese, coot, woodcock, snipe, etc.) must be plugged so as to be capable of holding no more than three shells. The plug must be a one-piece filler, inserted into the magazine tube, which cannot be removed without disassembling the gun.

f. Only nontoxic (steel) shot may be used or possessed while hunting migratory waterfowl (ducks, coot and geese).

g. Legal hunting hours for most small game, to include woodcock and crows, are sunrise to sunset. Hunting hours for the spring wild turkey season are one-half hour before sunrise to noon.

h. Migratory waterfowl legal hunting hours are from one-half hour before sunrise to sunset on Fort Drum.

i. No person shall completely field dress migratory waterfowl and then transport the bird from the field. The head or one fully feathered wing must remain attached during transport from the field to one's home.

j. No person shall possess more than one daily bag limit of any game while in the field or while returning from the field to one's vehicle or home, unless tagged according to State and Federal Regulations.

k. No person shall kill or cripple any animal without making a reasonable effort to retrieve it.

l. Dogs may be used to hunt all small game except wild turkey during the spring season.

m. Dogs may be trained on small game on Fort Drum from August 16 - April 15, except for training on raccoon, fox, coyote and bobcat which is allowed from July 1 - April 15. Dogs must remain under the control of the hunter or trainer at all times.

n. The use of dogs on Fort Drum is the sole responsibility of the owner/handler. Fort Drum is not responsible for any injuries sustained by the dog while on Fort Drum.

14. FISHING AND BOATING.

a. Recreational fishing is permitted on Fort Drum 24 hours a day. Recreationists engaged in nighttime fishing activities must physically check in and check out at the Combat Readiness Training Division (Range Control), Bldg. P-4855. Upon checking in at the Combat Readiness Training Division (Range Control), recreationists must obtain a Fort Drum Nighttime Fishing/Overnight Camping Pass and specify the location they would like to fish. The Combat Readiness Training Division (Range Control) will determine an entry/exit route to the fishing location. The Fort Drum Nighttime Fishing/Overnight Camping Pass must be displayed in clear sight on the dashboard of every vehicle involved with fishing activities and a copy must be in the possession of all recreationists engaged in fishing activities at all times.

b. A Joint Access Policy exists on Fort Drum. This policy allows fishermen to utilize streams/lakes/ponds in training areas where training is occurring, as long as fishing activities do not interfere with military operations. Physical check in is required at the Combat Readiness Training Division (Range Control), Bldg. P-4855, in accordance with paragraph 5 of this document.

c. All bodies of water on Fort Drum, except those in permanently restricted areas, will be open to fishing in accordance with New York State Fishing Laws, provided there is no interference with military training. See paragraph 7 for details of restricted areas.

d. A Fort Drum Recreational Fishing Permit and Access Pass are required to fish Remington Pond; however, the Access Pass need not be displayed in the vehicle. No check in at the Combat Readiness Training Division (Range Control) is required for use of Remington Pond.

e. Gasoline fueled motorized boats are not permitted on Remington Pond.

f. Boats used on Fort Drum waters must be equipped with life preservers and other safety equipment as required by State and Federal laws. All boating must be conducted under the provision of New York State Navigational Laws.

g. Ice fishing is permitted on all non-trout waters on Fort Drum (Indian Lake, Indian Pond and Mud Lake). Remington Pond is not open for ice fishing. Wherever ice fishing is permitted, no more than two hand lines and 5 tip-ups may be used.

h. It is illegal while on Fort Drum to possess walleye, largemouth bass, smallmouth bass or brook trout that have been cut, dismembered, filleted, skinned or otherwise altered so that the species and total length of such fish cannot be easily determined except that such fish may be gilled or gutted. Other species of fish may be filleted provided that the skin is not removed from the fillets.

i. Open season for trout (brook, brown and rainbow trout) is April 1 - October 15. There is no minimum size limit but the daily limit is 5 fish.

j. The open season for largemouth and smallmouth bass is the third Saturday in June through November 30. Minimum length requirement is 12 inches with a daily limit of 5 fish. An exception to this length requirement is Black River and Indian River where the minimum length requirement is 10 inches and the daily limit is 5 fish.

k. The open season for northern pike, pickerel and walleye is the first Saturday in May Through March 15. Minimum length requirement is 18 inches for northern pike and 15 inches for pickerel and walleye. The daily limit for all three species is 5 fish.

l. Black crappie is open all season, but the minimum length requirement is 9 inches. The daily limit is 25 fish.

m. HEALTH ADVISORY. Based on an evaluation of contaminant levels (mercury) in fish, a health advisory is in effect for all species of fish found in Indian Lake. It is recommended that persons eat no more that one meal (one-half pound) per month. In addition, women of childbearing age, infants and children under the age of 15 should not eat any of the fish species from Indian Lake.

15. TRAPPING.

a. Recreational trapping is not permitted in the cantonment area. To control the furbearer populations in the cantonment area, Fort Drum will continue a Nuisance Trapping Program. Those interested in nuisance trapping for Fort Drum's Cantonment Program must contact the installation's Fish and Wildlife office at (315) 772-9636.

b. Trappers must check in with the Combat Readiness Training Division (Range Control), Bldg. P-4855, either in-person or via the Sportsmen's Hotline (772-7153). While checking in, trappers must leave their permit number and the training area(s) they will be entering, after which, they may access any training area that is open for recreation that day. In addition, a Joint Access Policy allows trappers to utilize training areas when military maneuvers are occurring as long as trapping activities do not interfere with military operations. When using the Joint Access Policy, trappers must follow in-person check in procedures, or call 772-7152 to speak with the Combat Readiness Training Division (Range Control) personnel.

c. Use of ATV's and snowmobiles is authorized for trapping purposes ONLY, except as stated in paragraph 8f. Use and operation of ATV's and snowmobiles must be in accordance with the laws of NYS and pertinent Army Regulations.

d. While engaged in trapping activities, only a .22 caliber rimfire pistol/rifle may be used or lawfully possessed, but **not** in training areas 4A, 4B, 4D, 5A, 5D, 6B and 6C.

e. Disposal of animal carcasses from the trapping season is prohibited on Fort Drum lands.

f. Traps set for taking wildlife on Fort Drum shall be visited at least once in a 24-hour period. Except, when trapping for beaver, otter, mink, or muskrat, water set traps must be checked at least once in each 48-hour period. All wildlife held captive shall be immediately removed from the trap and if held alive and lawfully taken, may be killed in any manner. A hunting license is not required to shoot a captured animal.

g. It is illegal to disturb a beaver lodge (a structure made from sticks and mud, either free-standing in water or continuous with a bank), or disturb a beaver dam.

h. It is unlawful to disturb muskrat houses or dens, or set a trap within five feet of a muskrat house.

i. It is illegal to disturb another person's legally set trap, or remove a lawfully trapped animal from another person's trap, or possess an animal so removed without the owner's permission.

16. CAMPING.

a. Camping in the Fort Drum Cantonment Area is restricted to designated RV areas along Officers' Loop off of Nash Boulevard. Recreationists interested in using these RV sites should call Fort Drum Lodging, Bldg. T-2227, at 772-9683 for more information about reservations and charges. Recreationists using the RV Park are not required to check in or check out at the Combat Readiness Training Division (Range Control) or obtain a Fort Drum Nighttime Fishing/Overnight Camping Pass. Camping is not allowed at Remington Park.

b. Camping includes, but shall not be limited to, any form of temporary shelter such as a

tent, motor home, travel trailer, mobile home or the use of any vehicle for shelter or sleeping.

c. All recreationists camping in the training area are required to obtain an annual Fort Drum Recreational Permit and Access Pass from Outdoor Recreation Center, Bldg. P-11115, 772-5169/6106. There are no fees for the permits. All recreationists camping in the cantonment area or in the training area must purchase the appropriate Fort Drum and New York State permits at Outdoor Recreation Center, Bldg P-11115, if they wish to hunt, fish or trap in conjunction with camping.

d. Overnight camping in the Fort Drum training areas is allowed year-round. All camping is primitive and there are no designated campsites in the training areas.

e. The Combat Readiness Training Division (Range Control) governs access to the Fort Drum training areas and will dictate specific entry/exit routes for overnight camping. Recreationists camping overnight will be required to physically check in and check out with the Combat Readiness Training Division (Range Control), Bldg. P-4855. Upon checking in at the Combat Readiness Training Division (Range Control), recreationists must obtain a Nighttime Fishing/Overnight Camping Pass and state a specific location for camping, duration of camping, all persons involved with overnight camping activities and other pertinent information. Recreationists must physically check in at the Combat Readiness Training Division (Range Control) if they wish to change any information on their Nighttime Fishing/Overnight Camping Pass after their initial check in (i.e. duration of camping, etc.). A Nighttime Fishing/Overnight Camping Pass must be obtained for each vehicle involved with overnight camping activities and must be displayed, in clear sight, on the dashboard of each vehicle.

f. Recreationists participating in overnight camping or nighttime fishing activities are the only recreational users authorized to be in the Fort Drum training areas from one hour after sunset to one hour before sunrise. Recreationists utilizing Fort Drum training areas for the purpose of camping or fishing during this time period may use headlights while traveling on roads and trails. Recreationists are reminded to drive with caution on roads and trails and to minimize travel during the hours of darkness. Taking these steps will reduce interference with military operations and will ensure a safe environment for military training and recreation.

g. No person shall discard, bury or dispose of any trash, waste or litter on Fort Drum. Trash receptacles are not provided so recreationists must carry out what they carry in. Camping areas should be returned to their original condition before departing.

h. Portable latrines are not provided. Recreationists are responsible for providing their own portable latrines and must utilize them at all times. Campers are responsible for the proper disposal of human wastes.

i. There is no cutting, digging up, removing, or defacing of trees, branches or any live vegetation, other than berries, for any purpose whatsoever.

j. All fires must be confined to sites and shall not be lit until all combustible materials surrounding them have been removed to the extent necessary. No fires shall be left unattended.

k. Vehicles must be parked off of roads/tank trails in such a manner as to allow other

vehicles safe passage. Vehicles may not be parked in manner that will obstruct access to the Indian Lake boat launch. Unattended vehicles are the sole responsibility of the owner or user thereof. No claim against the United States Government or its officers, agents or employees shall accrue out of any loss, damage or theft of such vehicles or content thereof.

l. It is unlawful to consume alcohol or other drugs, or be under the influence of the same, while operating a motor vehicle or boat or while possessing a firearm.

m. Law enforcement officers will make periodic checks on overnight users of Fort Drum to assure their safety and to enforce all Fort Drum and NYS Department of Environmental Conservation Rules and Regulations. Failure to comply with above provisions may result in the suspension and/or revocation of Fort Drum recreational privileges and may jeopardize future camping opportunities on Fort Drum.

17. OTHER OUTDOOR ACTIVITIES

a. Swimming and SCUBA diving are prohibited in all water areas within Fort Drum, except for Remington Pond, where swimming is permitted in accordance with the Standard Operating Procedure (SOP) for Remington Pond Swim Area.

b. Any person who has a small game hunting license, a fishing license or is entitled to fish without a license may take frogs with a spear, club, hook, or by hand; a small game hunting license is required to take frogs with a gun or longbow. Frogs may be taken in any number from June 15 - September 30 between sunrise and sunset.

The proponent of this regulation is Public Works. Users are invited to send comments and suggested improvements on a DA Form 2028, (Recommended Changes to Publications and Blank Forms), through channels to Public Works, Environmental Division, 85 First Street West, Fort Drum, NY 13602-5097.
